

Somber Plexus

Contradiction and conflicting thoughts

Everything is subject to the same System

She has a compulsion to make sense in reverse
and find beautiful danger in the Penumbra

Erudite

Plaintive Parlor
Black Soot Coal & Dark Pitch

Sigh

The Realm of Visionary Speculation

Cultivates deciduous growth

and I will live as a bluish cat
in this endless forest

Self Portrait

Under the dark lantern
of tree tops

Appearing to me as
a Wraith
intricate and unbalanced

Radiating and showy compositions of light
reveal complicated reflections

Lustrous and limned
It is my season
